ROUTE

Approximately 50 miles of surfaced roads on map 133 edition D1

Suitable for any standard production car (although some of the roads will be narrow and bumpy)

NAVIGATION

Four classes (only Beginners and Novices can win awards although Championship points are awarded to everyone as per the rules)

Beginner marked map showing the whole route

Novice 60 minutes pre-plot

Intermediate mixture of pre-plot and plot 'n bash

Expert mixture of pre-plot and plot 'n bash

The navigation will be very straight forward, the main aim is to get everyone round the correct route, in previous years the event has been a bit too biased in favour of the Novices – this year may be a little different

Cars will start at one minute intervals
