

33rd Annual Vintage & Classic Car Rally *Sunday 11th July 2010*

Dear Classic Car Owner,

We are writing to you with details of our 33rd Vintage & Classic Car Rally and invite you to enter. This event is organised each year by King's Lynn and District Motor Club and, since the first rally in the late 1970s, has attracted extensive support from classic car enthusiasts across East Anglia and beyond.

The event is organised in a straightforward but proven and popular format based around three venues – start, lunch halt and finish - and is proud of its reputation for being an informal and enjoyable day out for owners of all types of classic car.

This year our event is a week later than our customary first Sunday of July, due to the clash with the Goodwood Festival of Speed. The event will begin at the Sandringham Visitor Centre. Lunch is at The Timbers Hotel, near Downham Market, where we started the event two years ago. and we finish at a venue we have been to before, but not for some years, the National Trust's Oxburgh Hall (right).

Details are provided in the event's regulations opposite. We hope you will be able to enter and, if you know others classic car owners, please feel free to copy this invitation and pass it on or, alternatively, you can download it from our website at www.kingslynndmc.co.uk.

We look forward to seeing you on Sunday 11th July.

Ivan & Adrian Cunnington and team
