

Snetterton Grass Production Car Autotest

23rd September 2018

Snetterton Circuit

The Sporting Car Club of Norfolk (SCCoN) is delighted to announce that once again they will be returning to Snetterton Circuit for a dual permit Clubmans Grass Production Car Autotest and Autotest on Sunday 23rd September.

We are very grateful for the continued support from Jamie Hopper, the Snetterton Circuit Manager.

We are intending to run four tests, two in the morning and two in the afternoon. The surface will be smooth, non-damaging grass and will be suitable for any car. The event will be aimed at the less experienced and younger competitors.

The club will be sharing the venue with a Track Day meaning that as well as the usual circuit facilities being available there will also be something to have a look at.

The Micras will be available

We look forward to seeing you on the 23rd September

The organising team.
