

Sporting Car Club of Norfolk Streetcar STANTA AutoSOLO, AutoTest & PCA

As part of the **Anglia Motor Sport Club** association, **Sporting Car Club of Norfolk** are pleased to be co-promoting an AutoSolo, Autotest & PCA at STANTA Training Ground.

SCCON would like to thank AMSC for supporting us in making this event happen, along with the staff at STANTA for accommodating us. It has been a good few years since an Autotest of any kind has been run at STANTA and we're very much looking forward to getting an event back here, as well as this being a new venue for the AMSC Championship.

The approved area for this event is predominantly smooth and among the most tyre-friendly surfaces on the AMSC Championship calendar. As we hope to make STANTA a permanent fixture on the calendar, it is essential that officials, marshals, and competitors fully adhere to all rules and guidelines throughout the event to ensure its success.

Entries and payments will be taken via bank transfer, and the results will be printed out on the day with a follow up email to competitors after the event. Further details e.g., test plans, car numbers and signing-on will follow in due course.

In line with all MoD sites STANTA now has a no smoking policy throughout the venue and although vaping is tolerated it is only allowed in designated areas.
